

## Retirement Marketplace: 2020 Communications Kit Newsletter/Article

Newsletter/Article for Individuals.

**Saving for your future just got a whole lot easier –**

**The Retirement Marketplace makes it simple for you to find an affordable plan today.**

**It's never too late to start saving for your future.**

**The Retirement Marketplace is an online portal that streamlines shopping for an individual retirement plan. Plans listed on the Marketplace meet stringent criteria established by the Washington State Legislature, including low-cost investment options at an annual fee of 1% of less.**

**To establish an individual retirement plan, visit [www.RetirementMarketplace.com](http://www.RetirementMarketplace.com). Here you can compare plans and get connected to the private financial partner of your choice. You control every aspect of your retirement planning. You choose the type of plan, how much you save and how often.**

**Check out this 2-minute explanatory [video](#) and visit the Retirement Marketplace today!**

**Please feel to use them “as is” for Twitter, Facebook, LinkedIn, newsletters, emails and/or other communications or use them as a springboard to create your own customized messaging.**
